

Place Value Builder Worksheet

Topic: Place Value to 10,000: Read, Build and Compare Numbers

Name: _____ Date: _____

Directions: Read each prompt carefully. Show your thinking with words, numbers or drawings.

1. Solve or complete the examples. Show your working.

2. Draw a model that explains one answer.

3. Write a second method you could use.

4. Create one problem of your own and solve it.

5. Explain which strategy was easiest and why.

6. Challenge: Make the problem one step harder.

Parent/Teacher Note: Encourage explanation and discussion. There may be more than one reasonable answer.
